Transfiguration: Jesus' face shone like the sun

**Second Sunday
of Lent
Year A
7th/8th
March 2020**

In a nutshell

As happened at his Baptism, Jesus is again proclaimed beloved Son of God at his Transfiguration. Peter, James and John are stunned by this announcement and by the glory they witness.

Jesus alone embodies the Law and the Prophets. With their courage strengthened, Jesus leads them down the mountain to continue their journey, ultimately to Jerusalem where he will suffer, die and rise from the dead.

"The Earth will not continue to offer its harvest, except with faithful stewardship. - Pope John Paul II

Twenty seven year old Phany lives in a village in Western Cambodia. Struggling to earn a living as a rice farmer, she was forced to leave her daughter behind in the village to take up construction work in the city.

Then in 2016, Phany joined a Caritas supported program, learning more productive farming and irrigation techniques. Her community learned to work together for better water management, to combat drought

Over 70% of Cambodia's population live in rural communities—and farming families living in poverty are the most food insecure. Thirteen percent of Cambodian's live below the poverty line, while 35 out of every 1000 babies died due to malnutrition.

In 2016, Phany joined the Upholding Community Dignity Together program, where learnt new farming techniques, such as a drip irrigation system which enabled her to get a better yield from her vegetable crops and to conserve water for drier periods. She also learnt how to grow vegetables and raise chickens and ducks. Phany's community also took part in training in health, nutrition, hygiene and disaster preparedness, arming them with better strategies to cope with environmental changes.

With your help, mothers like Phany can continue to uplift their communities, and provide food for their families. A bright future woman, men and their families can start today.

Let's Go Further, Together.
